

## 教科目名 英語特論Ⅱ (Advanced Course of English Ⅱ)

学科名・学年 : 制御情報工学科 5年 (教育プログラム 第2学年 ○科目)

単位数など : 選択 1単位 (前期1コマ, 授業時間 23.25時間)

担当教員 : Monica Shinozaki

授業の概要			
This course aims to equip students with the skills and confidence for practical, everyday communication in English. However, the focus will be on real-life tasks and contexts found in the information and technology sector in an international environment. It will also prepare the students with basic public speaking skills essential for giving presentations in their future careers.			
達成目標と評価方法		大分高専目標(G2), JABEE 目標(f)	
At the end of the course, it is hoped that the students will:			
1. be able to handle real life work tasks such as describing a problem, giving instructions and explaining functionality.			
2. gain certain cultural understanding and be sensitive to cultural differences.			
3. have the skills and confidence to speak in front of a group of people.
